STORAGE COLLECTION

Full Height Wide Storage Cabinet is not just a storage cabinet, it's a wardrobe too! Cabinets aren't just for holding, well, books! Though they make ideal homes for your paperbacks, they're also perfect for staging framed awards, keeping baskets filled with accessories, and putting your potted plants on display. Take this one for example: Made from manufactured wood, its understated frame gets a little more eye-catching with label accents. Great choice for office workspace.
